FOR ALL PRACTITIONERS

Physicians must obtain board certification recognized by the ABMS, AOA, ADA or ABFAS on or before the final anniversary of the first day in which he/she was eligible to sit for the board certification exam. Please note, board certification is not a sole requirement for clinical privileges, medical staff membership and/or network participation. Board certification, AMA and AOA may be verified with the application request process. *If applying for privileges at a Memorial Hermann hospital and/or an affiliate, applications for specialties including, but not limited to, emergency medicine, pathology, radiology and neonatology may not be accepted unless the applicant is affiliated with a contracted group(s).
